

# HER BIGGEST WISH

## NOT HAVING TO DECIDE BETWEEN FOOD, MEDICINE AND HEAT.

### ALL COLORADANS DESERVE HEAT.

But not all can afford it. One in five Colorado households is considered low-income. Many rely on energy assistance to help pay their winter heating bills.

Energy Outreach Colorado is a non-profit organization that raises money for energy assistance. We distribute these critical funds to assistance agencies across the state. We also fund energy efficiency measures that reduce energy costs in affordable housing.
